BOOK SYNOPSIS

The beloved author of *Forever Fifty* and *Suddenly Sixty* tackles the ins and outs of becoming a septuagenarian with wry good humor. Fans of Viorst's funny, touching, and wise decades poems will love these verses filled with witty advice and reflections on marriage, milestones, and middle-aged children. The beloved bestselling author of *Forever Fifty* and *Suddenly Sixty* now tackles the ins and outs of becoming a septuagenarian with her usual wry good humor. Fans of Judith Viorst's funny, touching, and wise poems about turning thirty, forty, fifty, and sixty will love this new volume for the woman who deeply believes she is too young to be seventy, "too young in my heart and my soul, if not in my thighs." Viorst explores, among the many other issues of this stage of life, the state of our sex lives and teeth, how we can stay married though thermostatically incompatible, and the joys of grandparenthood and shopping. Readers will nod with rueful recognition when she asks, "Am I required to think of myself as a basically shallow woman because I feel better when my hair looks good?" when she presses a few helpful suggestions on her kids because "they may be middle aged, but they're still my children," and when she graciously -- but not too graciously -- selects her husband's next mate in a poem deliciously subtitled "If I Should Die Before I Wake, Here's the Wife You Next Should Take." Though Viorst acknowledges she is definitely not a good sport about the fact that she is mortal, her poems are full of the pleasures of life right now, helping us come to terms with the passage of time, encouraging us to keep trying to fix the world, and inviting us to consider "drinking wine, making love, laughing hard, caring hard, and learning a new trick or two as part of our job description at seventy." *Im Too Young to Be Seventy* is a joy to read and makes a heartwarming gift for anyone who has reached or is soon to reach that -- it's not so bad after all -- seventh decade.

IM TOO YOUNG TO BE SEVENTY - Are you looking for Ebook *Im Too Young To Be Seventy*? You will be glad to know that right now *Im Too Young To Be Seventy* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Im Too Young To Be Seventy* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Im Too Young To Be Seventy* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Im Too Young To Be Seventy*. To get started finding *Im Too Young To Be Seventy*, you are right to find our website which has a comprehensive collection of manuals listed.
