## **BOOK SYNOPSIS**

There's trouble afoot in Regency London's Jewish community, and no one to stop the crimes-until wealthy-widower-turned-sleuth Mr. Ezra Melamed teams up with an unlikely pair: General Wellngone and the Earl of Gravel Lane, the leaders of a gang of young Jewish pickpockets. In this first volume of the Jewish Regency Mystery Series, a young Jewish physician is accused of poisoning his wealthy patient, Lady Marblehead, as well as stealing a priceless pearl bracelet from her jewelry box. After more outbreaks of the mysterious ailment occur in the city, an increasingly hysterical Jewish community turns to Mr. Melamed to investigate the case-who in turn enlists the aid of General Wellngone and the Earl of Gravel Lane to find the real culprit. But there are too few clues and too little time in this humorous mystery story featuring British detectives who are definitely in a class of their own.
