BOOK SYNOPSIS

Zoe Brown may have been voted Most Likely to Never Leave River Bend, but the paper-thin walls and suffocating air of her familys double-wide trailer were not what she wanted for her life. Other than BFFs Melanie and Jo, the only thing that kept Zoe sane during high school was her boyfriend, Luke. She didnt just leave, she escaped--turning her back on the shame of her black-sheep siblings and imprisoned dad. Now a celebrity chef in Dallas, she can afford all the things she never could have growing up. But when she returns to rustic, ruggedly beautiful River Bend, Zoe has to face all that she abandoned--including Luke. While Luke was a refuge for Zoe in the past, he knows they inhabit totally different worlds now. Anchored by his parents and his job as a mechanic in his fathers shop, Luke never felt the urge to leave River Bend--until Zoes return. But when the two rekindle their old flame, Zoe is forced to make the hardest decision of her life: remain in River Bend and confront her past before it destroys her, or say good-bye to everyone shes ever loved...again, this time for good.

STAYING FOR GOOD A MOST LIKELY TO NOVEL - Are you looking for Ebook Staying For Good A Most Likely To Novel ?
