## BOOK SYNOPSIS

Everyone's got an opinion on applying to bschool. A Google search returns 400 THOUSAND results for "how to get into hbs". Most of them are free blogs and forums. You've probably come across dozens of admissions "experts" who charge \$500/hour to help you "craft" that perfect story and "fine tune" those all-important essays. Why spend all that time reading amateur bloggers who don't know what they're talking about and worse, provide misleading advice? Why pay \$1000s to people who may have gotten into a good school, but only represent one experience? That's why we created The Best Book. We wanted to provide the definitive insiders guide to bschool admissions. We found 9 students from the best bschools including: \* HBS \* GSB \* Wharton \* Northwestern \* UChicago \* A Stanford dual degree (GSB & Stanford Law) \* A Harvard 2+2 In 243 PACKED pages and for only \$25 bucks, they share exactly how they got in - from selecting the right people to write their recommendations, to brainstorming and writing their essays, to deciding on round 1 vs 2 vs 3.
