BOOK SYNOPSIS

Whether you are just looking for more information or are ready to start seriously preparing for the exam, this is your book. As the only study guide specifically made just for the ASTB-E exam and not a conglomerate of generalized test information for other branches (Army & Air Force), you get the test prep and practice you need and nothing else. Designed by a team of ASTB, aviation, and educational experts, this study guide covers all the sections of the exam, including test tips to quickly increase scores, and practice test questions like you will find on the actual exam. All ASTB exam sections covered.
