BOOK SYNOPSIS

From daunting to doable in six steps The process of literature search and composing a formal literature review can be intimidating. But masters and doctoral candidates in Education and related fields have found academic argumentation to be seamlessly intuitive with the six-step process pioneered by this book. This updated third edition features a wealth of all-new content including: A flowchart that graphically illustrates Machi and McEvoy's process. Reflective Oversight boxes in each chapter, prompting readers to direct metacognitive activities. Links to online guides and resources. Expanded examples illustrating theoretical concepts.
